Reason: The Debtors have conducted a review of the filed proof of claim and any related accompanying materials and their books and records. Based on this review, the Debtor submits that the customer asserted cryptocurrency quantities and fiat which does not match the quantities and holdings in such customer's accounts. In addition, the customer asserts an equity interest in one or more of the Debtors. Pursuant to the Non-Customer Bar Date Order (DI 1519), a person or entity who holds an interest in any of the Debtors number of interest on account of the ownership of such equity interests are not customer claims against any of the Debtors. Accordingly, the Debtors seek to modify the asserted claim to match their books and records.
